Re: Ross Recreation Equipment Company Reference

Dear Ms. Sisneros:

The Ross Recreation Equipment Company has been the successful bidder on a number of the playground proposals solicited by the Yuba City Unified School District. These projects have ranged in budget amounts from \$10,000 to \$70,000. In every instance, our experience with the level of service provided by Ross Recreation has been excellent. I find them to be extremely responsive and responsible.

The local Ross representative, Mr. Chris Tait, worked closely with our staff to provide an individual, customized playground equipment layout for each project. The installation crews performed in a professional and timely manner, resulting in a great finish product to the delight of both our staff and our students.

I look forward to working with the Ross Recreation Equipment Company on future projects. If you have any questions or if you would like to visit any of our completed projects, please feel free to contact me anytime at 530-822-5252.

Very Truly Yours,
